FEBRUARY 22, 2007

IN RE: Application of Infone, LLC for a Certificate of ) ORDER CANCELLING  
Public Convenience and Necessity to Provide ) CERTIFICATE AND  
Intrastate Resold Telecommunications Services ) WITHDRAWING  
and for Alternative Regulation within the State ) TARIFF  
of South Carolina. )

This matter comes before the Public Service Commission of South Carolina (Commission) on the request of Infone, LLC (Infone or the Company) to cancel the Company's Certificate of Public Convenience and Necessity to provide resold intrastate telecommunications services in South Carolina and to withdraw the Company's tariff. A review of the Commission's records reveals that the Commission granted Infone authority to provide telecommunications services in the State of South Carolina by Order No. 2002-826, dated December 9, 2002.

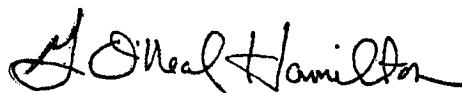

By letter from the Company's Consultant, filed January 29, 2007, Infone seeks immediate cancellation of the Company's Certificate and withdrawal of the Company's South Carolina Tariff No. 3. Infone advises that the Company offered its services on a casual calling basis only and has no presubscribed customers; therefore, no customer notice is required.

As Infone is not providing the services for which the Company's Certificate of Public Convenience and Necessity was granted, the Commission finds and concludes that

Infone's Certificate of Public Convenience and Necessity to provide telecommunications services should be cancelled.

IT IS THEREFORE ORDERED THAT:

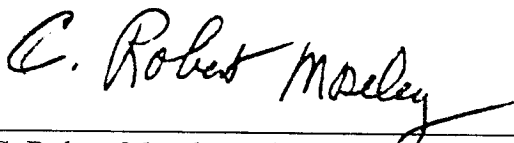

1. The Certificate of Public Convenience and Necessity to provide intrastate resold telecommunications services within the state of South Carolina authorized by Order No. 2002-826, dated December 9, 2002, issued to Infone, LLC is hereby cancelled.
2. The tariff of Infone, LLC is hereby withdrawn.
3. Infone, LLC remains responsible for any Commission assessments payable during any year that the Company has operated in South Carolina.
4. This Order shall remain in full force and effect until further Order of the Commission.
